

WE ARE THE LEADING CORPORATE SOLUTIONS PROVIDER **IN SEMARANG**

Make the most of Semarang's market potential with straightforward business solutions tailored for your company's success by InCorp Indonesia.

INDUSTRIAL PARK REGISTRATION

InCorp Indonesia helps you obtain the necessary permits to operate your business in industrial parks across the Semarang and Central Java area.

ENVIRONMENTAL PERMIT REGISTRATION

To operate sustainably, businesses in Semarang must comply with environmental permits. For AMDAL completion, InCorp Indonesia experts assist you in applying for UKL & UPL permits.

QUALIFIED TALENT OUTSOURCING

Optimized talent recruitment will benefit your company's growth. Our company specializes in outsourcing talents and headhunters in many areas of expertise. We also act as your employer of record to ensure a seamless recruitment process.

IMPORT STRUCTURING

We provide strategic import solutions to optimize your supply chain, reduce costs, and ensure compliance with Indonesian customs regulations, helping businesses maximize available incentives.

BONDED ZONE REGISTRATION

Setting up in a bonded zone provides tax and duty benefits. We assist with registration from documentation to approval, helping your business establish a strong base in Semarang.

BUSINESS PROCESS OUTSOURCING

Outsource your tedious business processes and let InCorp Indonesia handle your business needs, starting from
